Sunday, May 7: The Meaning and Purpose of Work

How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Christ Church Otsego. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Pastor Greg's Main Idea:

To “live your dash” for Jesus you must learn to live to work, not just work to live.
What does this mean to you?

Scripture Passage: Colossians 3:17, 23

Read and discuss the meaning of these key verses. Why is it important that our work be understood as a vital part of living our dash for Jesus?

Discussion Questions:

What is your attitude towards your job? What do you love about it? What do you hate about it?

Truth #4 in your notes states, “Everyone is a minister and labor is worship.” Put this in your own words. How might this truth change your attitude towards your work?

In what respect has God called you to be a “co-laborer with Christ” for the sake of the world?

If you have any questions from this discussion or the message email them to info@christchurchotsego.org.
