Sunday, June 4: Filled With Fire

How to Use Talk It Over: This resource is to help you and your group discuss, in greater detail, the messages at Christ Church Otsego. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Pastor Greg's Main Idea: Were do *your* values come from?

Are there hidden values that, when you stop and think about it, shape the choices you make, without even being conscious of it at the time? How do you decide what matters most in life?

Scripture Passage: Ephesians 5:18 "Do not be drunk on wine... but be filled with the Spirit."

What are some examples of living your dash "in the flesh" versus living your dash "in the Spirit?"

Acts 2:1-47 The Day of Pentecost

Share something about your personal experience of the Holy Spirit and the role that the Holy Spirit plays in your daily life and walk with Jesus.

Discussion Questions: Pastor Greg said that "The Holy Spirit will put wind in your sails and fire in your belly." Where in your life could you use some wind and fire right now?

- Why is it important to be able to take the timeless truths of God's Word and share them in practical and relevant ways in our culture today? Who is somebody that you are trying to relate to right now? How does the Holy Spirit help you?
- What part of your personal faith story, your testimony, have you found to be most effective in witnessing to others? How might learning to rely on the Holy Spirit help you to become more effective in sharing Jesus with others?
- When it comes to all of our REACH initiatives at Christ Church, why are the presence and power of the Holy Spirit indispensable ingredients when it comes to growing the Church and expanding God's kingdom here on earth?

As you close in prayer, invite the Holy Spirit to "fill you full" so that you can overflow to others as you live your dash for Jesus.

Thank You for sharing in our Living the Dash series!
