Student Minister Covenant

As a Student Minister, I understand that I will be a leader for younger students with expectations of high moral character and behavior. The following is a list of some of the expected standards that I will be accountable for with the understanding that it is not an exhaustive list.

As a Student Minister, **I will:**

- Lead by example. I will follow all of the rules set for the students, including being in bed by lights out, being a full participant in all activities, being silent when they are asked to be silent, etc.
- I will keep a positive attitude at all times, realizing that my attitude will often determine the attitude of the students.
- I understand this is a ministry. I will be Jesus' representative at all times.
- Focus on the Primetime students ALL weekend. I will not hang out with other HS students.
- I will only use my cell phone for ministry purposes.
- Not enter into an area that is designated for the opposite sex.
- Be assigned to a specific group of students and their adult leader. I will be sleeping in a dorm room with an adult leader and their group, I will sit with them in chapel, etc.
- Make the positive choices in words and actions.
- Be engaged with the students.
- Be on the look out for students not engaged and reach out and befriend them and then help him/her connect with others.
- Be asked to help in activities during free time.
- Always be looking for ways I can help, including loading and unloading the bus, helping students get settled in dorm rooms, helping to clean the bus, etc.
- Be an ambassador for Christ and represent Christ Church to the best of my ability.
