Sunday, August 6: Look Up!

How to Use Talk It Over: This resource is to help you and your group discuss, in greater detail, the messages at Christ Church Otsego. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Pastor Greg's Main Idea: Throughout the scriptures, mountains hold great significance as symbols of God's majesty, glory and faithfulness.

Scripture Passages: Psalm 121:1-2

Discussion Questions:

What is the highest mountain that you have ever been on? What was the experience like?

What do mountains symbolize or communicate to you about the qualities of God?

What were some of the stories in the Bible that Pastor Greg referred to where significant events happened on or near mountains? What was being communicated?

What is a challenge you are facing or a need in your life right now where it would be wise to "look up" and seek the help of God?

How do we know that God actually hears our prayers and responds to our individual needs? And those of our church?

What are some of the factors that pull our eyes down towards the things of earth and keep us from looking up to God?

How can you encourage others personally with Psalm 121:1-2?

How can you contribute personally to helping Christ Church move forward with our vision of discipleship and outreach?

God bless your Talk It Over Group! Have a great week!
