Student Minister Covenant

As a Student Minister, I understand that I will be a leader and role model for younger students; with expectations of high moral character and behavior. The following is a list of some of the expected standards that I will be accountable for with the understanding that it is not an exhaustive list.

As a Student Minister, I will:

- Lead by example. I will follow all of the rules set for the students, being a full participant in all activities.
- I will keep a positive attitude at all times, realizing that my attitude will often determine the attitude of the students.
- I understand this is a ministry. I will be Jesus' representative at all times. I will work and serve as though I am working for and serving the Lord Himself.
- Focus on the Super Summer Serve students. I will not spend my time with the other high school student leaders.
- Make the best choices in words and actions
- Be engaged with the students
- Be on the lookout for students not engaged and reach out and befriend them, and then help him/her enter a group successfully
- Be an ambassador for Christ and represent Christ Church to the best of my ability
