Trout Lake Camps ~ Medical Release Form

With the increasing sophistication of our hospital systems, we have found it necessary to have a signed parental release form in the unlikely event of a serious injury requiring hospital treatment for your child. This release gives up permission to take your child to the nearest available medical facility and have the necessary medical treatment administered. Many hospitals will not administer any medical attention without parental consent. Would you please read and sign the statement below.

We understand the arrangements and believe that the necessary precautions and plans for the care and supervision of the child will be taken during this conference. In case of emergency I understand that every effort will be made to contact me. If I cannot be reached, I hereby give Trout Lake Camps, our Church leadership, or other emergency medical personnel the permission to act on my behalf in seeking emergency medical treatment for my child in the event that camp or church staff deems such treatment necessary. I give permission to those administering emergency medical treatment to do so using those measures deemed necessary.

I also absolve the Converge North Central and Trout Lake Camps and Trout Lake and/or church personnel and Christ Church personnel from liability in acting on my behalf in this regard so long as they are not grossly negligent.

Acknowledgement of Risk and Medical Release for Christ Church

I understand and acknowledge that participation in the camp activities including transportation to and from such activities, entails both known and unanticipated risks of harm which could result in physical or emotional injury, paralysis, death, or damage to the participant, to property, or to third parties. I understand and acknowledge that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. I further understand and acknowledge that the risk of harm inherent in these activities may be increased by factors beyond the control of Christ Church, the staff and adult volunteers. I absolve Christ Church and Christ Church personnel from liability. I hereby authorize Christ Church staff or adult staff to secure medical treatment for my child/myself (adult) if necessary.
